\* CEFR: The Common European Framework of Reference for Languages outlines an ascending series of common reference levels for describing learner proficiency. This CEFR describes both knowledge and skills in positive "can do" statements at six levels of proficiency for different language skills from A1 level (Basic User - Breakthrough) to C2 level (Proficient User - Mastery).

The benchmarking study of the TOEIC® Listening and Reading scores to the Common European Framework of Reference (CEFR) was conducted by Tannenbaum, R.J., & Wylie, E.C.-2006. The results of the standard setting are recommended minimum score requirements, or cut scores. The mapping of TOEIC scores to each CEFR level in this particular study are presented as guidelines for minimum thresholds for each level. ETS does not recommend to use the minimum cut scores strictly.

N.B: For A1 to B1 levels ETS advises to take the TOEIC® Bridge™.

TOEIC® Listening and Reading scores are reported in 5-point increments.
